INTRODUCTION

Section 16.08 of the Rules for the Administration of the Educator Licensing Act of 1991 requires Colorado institutions of higher education approved to provide educator preparation programs submit annual reports to the Colorado Department of Education. These reports are intended to facilitate communication between the institutions and the Department of Education and to inform the Colorado State Board of Education of current developments in educator preparation in the state. Reports from the institutions concerning implementation of new State Board standards were filed in July, 1996. The data in this report was submitted by Colorado deans of education and indicates the number of education students recommended for licensure and endorsements during the 1995-96 school year.
